Objectives & Agenda:

1. Approve Previous Meeting Minutes
2. Introductions & Comments from Visitors?
3. Debrief Public Meeting
4. Review Design Alternatives and recommend a direction
5. Upcoming Tasks & Schedule
6. Next PAT meeting

Previous Meeting Minutes Approved

Introductions & Visitor Comments: No Comments

Debrief Public Meeting: The overall public meeting was successful and no further discussion was centered on this topic.

Review Design Alternatives The PAT reviewed the location of the new gym, expansion of the community center and location of the teen center. The PAT approved the overall design alternatives and recommends moving the design forward except for further review and discussion of the teen and pottery area. The current location of the new teen center would displace and/or remove the pottery area.

Upcoming Tasks & Schedule A recommendation was made by the PAT to conduct another PAT meeting that includes users of the Pottery area for discussion about that program and locating the teen center there.

Next PAT: Next PAT meeting is scheduled for April 2nd at 7pm.
